### IMPORTANT Reminder!

**This is Makeup Week # 1**

We have **ONLY** sent shares for names on the list with 1 or 2 weeks to make up.

**If your name shows 0 makeup weeks, we did NOT send along a share for you.**

**If you think this is wrong, PLEASE DO NOT take a share today (it belongs to someone else)**

**but**

**DO contact Margie by emailing: office@beeheavenfarm.com immediately to resolve.**

## **Thank you!**

If you haven't already, please take a moment to thank your site host for offering the use of his/her place to pick up your shares. Many of them have gone above and beyond the call of duty to help out. We couldn't do it without them.

And a big thank you to all of you, our CSA farm family. Without your support we wouldn't be enjoying this farm-fresh, organic food!

Check your email in mid-May for your renewal notices.

**Happy summer.**

**It's rich, "organic", down-to-earth, user-friendly, and nourishing!**

# Boxes? Calling all boxes!

This week, if you can, please transfer your share to a bag (or two or three) and leave your box behind. If you take your box with you, here are your options:

- A) Bring it back BEFORE the end of the week;
- B) Keep your box and use it or dispose of it in a (hopefully) useful manner.
- C) If your box is in good shape and you have a safe spot to keep it until the fall, we'll be happy to take it back the first week!
- D) Better yet, come to our end-of-season potluck on the 20th and bring your box(es) with you!

Next week we'll collect whatever boxes are there when WE arrive to drop off the shares, NOT when YOU arrive to pick it up. Please do not leave your box next week! Thank you.
